Report

I learned today that the title also means "foolish fire" and I loved it. These will-o'-wisps are just waiting for some innocent bypassers so they can lead them deeper into the marsh, get them lost and probably drowned. But they're cute, right?

Wow, I can't believe such cute chublets would do such a thing but that's probably what they want, haha.
Great work on the trees, love the brush work <3

Tudod... akárhányszor is voltam gödörben, azért tudtam mindig kimászni, mert te végig figyeltél rám.
